

Mini Square Tag (RF)

8.2 Mhz RF Hard Tags

The RF Mini Square Tag is a cost optimised Hard Tag, suitable for the protection of clothing and accessories. The Mini Tag is compatible with all 8.2MHz RF antennas, and incorporates a super lock strength lock to ensure that the tag is hard to defeat. In addition to being used with a pin, it can be used with a lanyard to provide protection for items such as luggage and handbags. The RF Mini Tag is our best selling RF Hard Tag solution.

Features

- Reusable tags made of fire retardant plastic. (Is this the case?)
- Strong construction made of scratch and tamper resistant material
- Small, unobtrusive and lightweight – perfect for delicate materials
- Simple to attach and easily removed with a special detacher
- Wide detection range
