

UFO Bottle Tag (RF)

RF Bottle Protection

These tags offer reliable re-useable protection for high-end alcohol bottles; luggage and hand bags, providing visual deterrence, and alarm activation at the exit. They offer the ability to merchandise live bottles with confidence.

This reputable bottle tag is tightly attached to the cap and secures the bottle with an alarming element as well. Soft coating on the wire prevents product damage. Bottle tag is removed using a magnetic detacher at the point of sale and is reusable.

Features

- Re-useable
- Strong detection
- Difficult to defeat
- Extremely cost effective
- Allows the cap seal to be seen before purchasing
